

## Cori Farwell

Director

PFM Asset Management LLC

Cori joined PFAM in 2024 and is responsible for direct oversight of the Institutional Liquidity Management team. She is also responsible for leading short duration investment strategies, including positioning and management of portfolios for institutional corporate and government agency clients.

Cori began her career in the investment management industry in 1992, and, prior to joining PFAM, she held the same responsibilities at HighMark Capital Management. Before joining HighMark, she was responsible for managing taxable short-term fixed income securities at Montgomery Asset Management. Prior to that, Cori worked as a financial consultant at Merrill Lynch where she provided investment management for the firm's clients.
