

Marty Hammond, Jr.

Managing Director

PFM Asset Management LLC

Marty Hammond is a managing director in the Princeton, NJ office. His responsibilities include developing, implementing and reporting on customized and prudent investment strategies for PFM Asset Management's clients. He also conducts investment performance analyses, investment policy development, cash flow modeling and portfolio optimization for these clients.

Prior to joining the firm, Marty completed a four-year apprenticeship with what is now Ironworkers Local 3 and then worked as a journeyman ironworker, helping to build bridges and buildings across Pennsylvania.

He is a member of the Government Finance Officers Association of New Jersey.
