

Sara Messner

Business Analyst

PFM Asset Management LLC

Sara joined PFM Asset Management in 2019 as a member of the Harrisburg accounting team. She assists with planning and budgeting for asset management. Her responsibilities also include revenue reconciliation as well as development and analysis of product profitability.

Prior to joining the firm, Sara worked at Rite Aid Corporate Headquarters as an analyst in the accounting department for eight years. Her role included booking various journal entries and completing account reconciliations. In addition, she completed regulatory and internal audits, assisted with testing for implementation of new systems, and developed process performance improvements.
